

Introduction

Congratulations and thank you for purchasing a Sound Acoustics product. The SA-T70-LINE transformer is a step down transformer that converts 25V or 70V speaker level signals to 1V line level signals. The SA-T70-LINE allows the installer the flexibility to connect two commercial amplifiers in different locations up to 1000 feet apart without signal loss or signal degradation. The SA-T70-LINE also provides an attenuator to match levels between devices with a tamper proof security cover.

Includes:

- 1 x SA-T70-LINE
- 4 x Mounting Screws
- 1 x Knob Security Cover

Warranty

The Sound Acoustics SA-T70-LINE transformer is warranted to be free from defects in workmanship and materials for a period of three (3) years without charge for parts or labour. The warranty applies only to the original owner. The owner's responsibilities are to provide proof of purchase and transportation to the dealer the unit was purchased from or transportation to the Sound Acoustics factory. This warranty does not apply to units which have been subject to misuse, abuse, neglect or improper installation, and does not apply to repairs or alterations by unauthorized personnel. This warranty specifically excludes responsibility for consequential damage.

Retention of your dated ORIGINAL BILL OF SALE is required to obtain service under the terms of the warranty.
